TO: J.M. Kersh, Associate General Manager
Environmental Restoration and Waste Management
EG&G, Rocky Flats, Inc.

In response to your November 15, 1991 request for guidance on withholding purchase orders (PO) for funding clarification, RFO has determined that there is no need to continue postponement of the POs for Work Plans on OUs 12, 13, 14 and the Background Geochemical Report. You may proceed with the proposed funding profile presented at the ER Program Review on November 21, 1991.

If you have any questions on this matter, please contact Frazer Lockhart at extension 7846 of my staff.
